SOFTWARE

I am fully versed in the Adobe Creative Suite design software — *Photoshop*, *Illustrator* and *InDesign*. I can also use *QuarkXPress* and *Microsoft Office*, if necessary.

Though my background is primarily print-based, I have a working knowledge of web standards, *HTML*, *CSS*, *Javascript* and *Flash*.

ABOUT ME

Currently living and working in New York City, I am a graphic designer and illustrator originally from New Jersey.

I've illustrated two children's books.

I recently updated my portfolio site.
